

Technical drawing of a mechanical part with the following dimensions:

- Overall width: 41
- Overall height: 51
- Width of the bottom section: 30
- Width of the middle section: 20

Usinage

Qté : 1

The technical drawing shows a mechanical part with the following dimensions and features:

- Front View:** Total height is 49. The top flange has a width of 22 and a central hole with a diameter of 9. The side flange has a height of 17. The bottom flange is angled at 120°. A note indicates "(2 x) Trous taraudé débouchant M5" (2 x) through-hole tapping M5.
- Side View:** Total width is 12. The top flange has a width of 6. The side flange has a height of 11. The bottom flange has a width of 7. A note indicates "Rayon bas de l'outil mini 1 mm maxi 2 mm" (Bottom radius of the tool mini 1 mm maxi 2 mm).
- Section A-A:** A cross-section view showing the internal structure of the part, with a total width of 12 and a height of 7.
