

Technical drawing of a mechanical part with the following dimensions and features:

- Overall width: 30
- Overall height: 44
- Top chamfers: $2 \times 4 \times 45^\circ$
- Bottom chamfers: $2 \times 2 \times 45^\circ$
- Internal hole diameter: $\varnothing 8 \text{ G6}$
- Internal hole length: 12
- Bottom hole diameter: $17.4^{+0.05}_{-0.15}$
- Bottom hole chamfers: $2 \times R1$
- Feature A: A horizontal line with an arrow pointing to the top surface of the part.
- Feature B: A horizontal line with an arrow pointing to the bottom surface of the part.
