Technical drawing of a mechanical assembly, likely a bracket or support structure, showing dimensions and specifications.

Dimensions:

- Horizontal distance from the vertical centerline to the end of the top flange: 500,00
- Vertical distance from the base to the top of the vertical tube: 713,73
- Length of the angled tube section: 600,00
- Radius of the curved transition: R97,50
- Horizontal distance from the vertical centerline to the end of the angled section: 200,00
- Vertical distance from the base to the start of the angled section: 40,00
- Vertical distance between the first four holes: 40,00
- Vertical distance between the last two holes: 40,00
- Radius of the base: R35,00

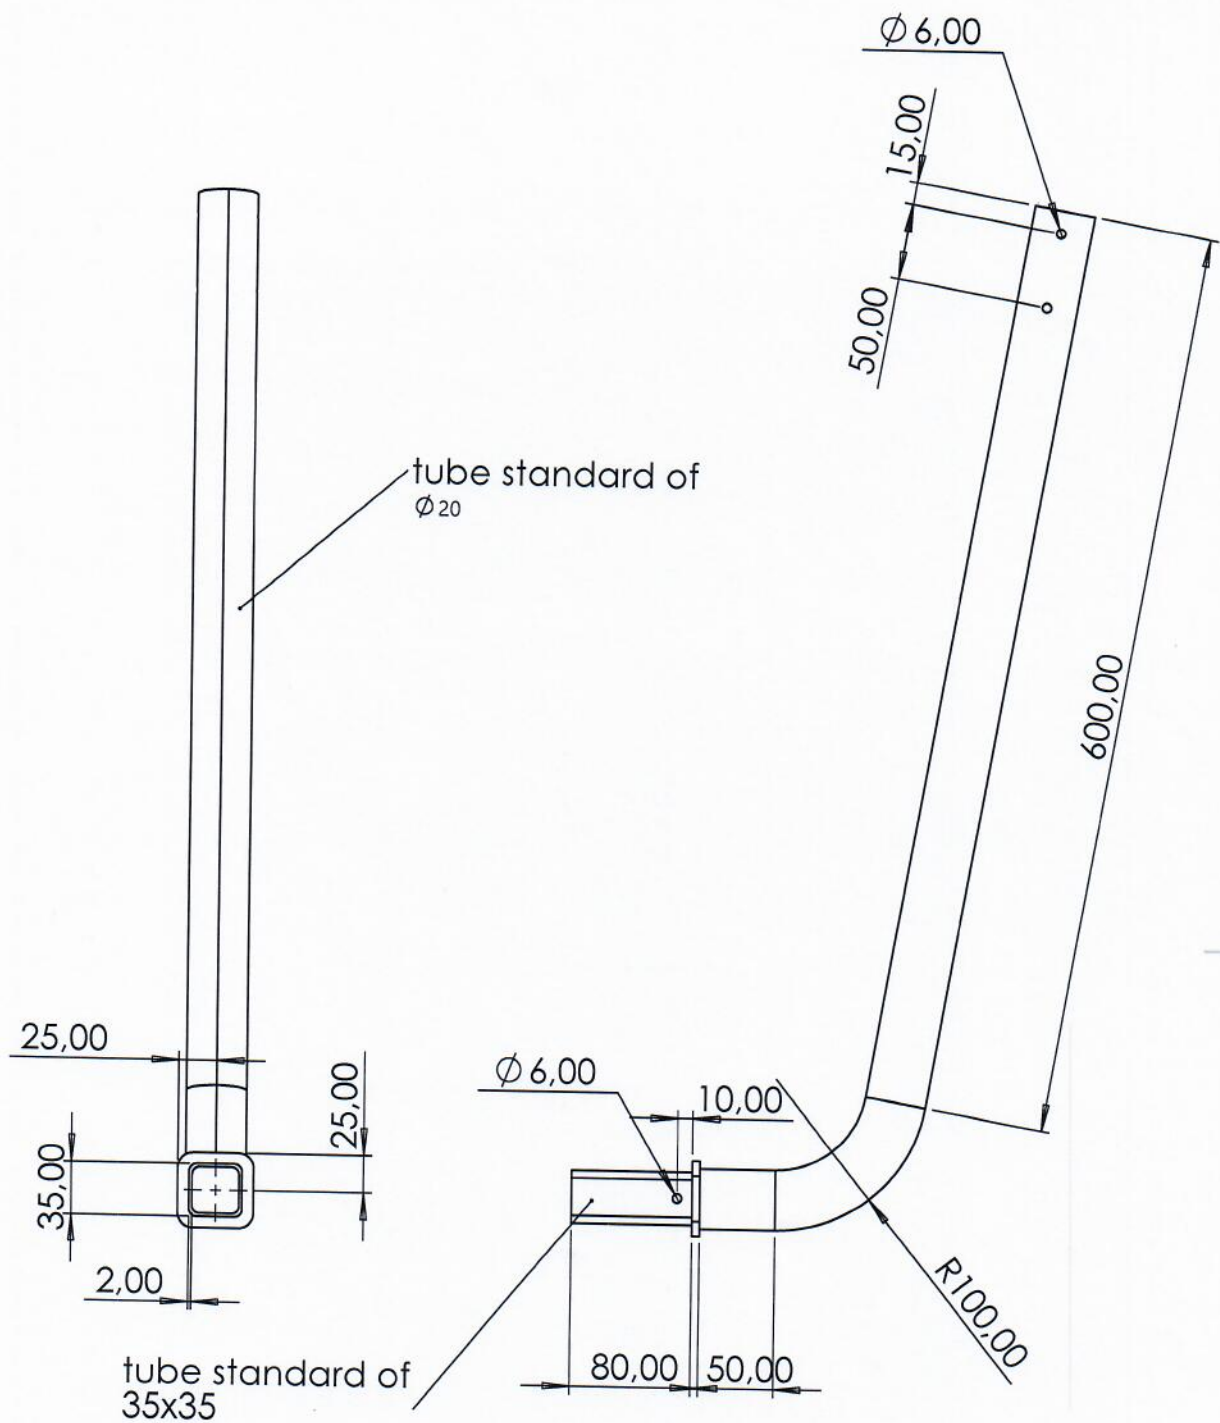

Specifications:

- TUBE STANDARD OF $\phi 35$
- Hole size: $\phi 6,00$ X5
- End hole size: $\phi 30,00$
