

Technical drawing of a mechanical part, showing three views: top view, side view, and bottom view.

Top View: A circular part with a central hole. The outer diameter is 28. The inner hole diameter is 15. The width of the ring is 6. The dimensions are labeled: 6, 15, 6 (radially) and 6, 15, 6 (tangentially), with a total of 28 for both.

Side View: A vertical section showing the profile of the part. The total height is 81. The central hole has a diameter of 28. The height of the central section is 30. The bottom section is labeled M20x1,5, indicating a thread.

Bottom View: A circular part with a central hole. The outer diameter is 28. The inner hole diameter is 15. The width of the ring is 6. The dimensions are labeled: 6, 15, 6 (radially) and 6, 15, 6 (tangentially), with a total of 28 for both.
